

Freudenberg is a global technology group that strengthens its customers and society long-term through forward-looking innovations. Together with our partners, customers and the world of science, we develop leading-edge technologies, and excellent products, solutions and services for 40 market segments. The Freudenberg Group employs some fifty thousand people in around 60 countries worldwide and generates sales of nearly nine billion euros.

Freudenberg Performance Materials is a leading global supplier of innovative technical textiles for the markets of automotive, building materials, apparel, energy, filter media, healthcare and building interiors, among others. The company generates sales of more than 1 billion euros, has 33 production sites in 14 countries around the world and some five thousand employees. Freudenberg Performance Materials attaches great importance to social and ecological responsibility as the basis for its business success.
